Open Education Week @ NDU

Under the auspices of the UNESCO Chair on Open Educational Resources (OER) for Access and Success, **Notre Dame University-Louaize** celebrates Open Education Week 2020 with a series of events featuring faculty and students sharing their experiences using and creating OER.

All events are open to the entire NDU community and will be held at the Office of Information Technology Conference room.

Join us in celebrating the worldwide open education week by attending the following events:
